

Willmore Design  
15 Nariel Street, Albion, QLD 4010  
Telephone (07) 3262 2811

We are two minutes' walk from the Breakfast Creek Hotel.

#### From the City / Breakfast Creek Road

- 01 Go over Breakfast Creek and take a left into Amy Street.
- 02 At end of Amy Street, take a left into Yulestar Street, then a right into Higgs Street.
- 03 Follow the bend around into Park Street.
- 04 At the end of Park Street, turn left into Nariel Street. You will see 'BGB Electrical' on your right – at this point, turn left into our car park, there are eight car parking spaces.

#### From the Inner City Bypass

Don't come off the ICB onto Kingsford Smith Drive & take a left into Cooksley Street – it's too dangerous trying to cross the traffic that has come from Breakfast Creek Road – you'll be dicing with death... instead:

- 01 Take the Abbotsford Road exit off the ICB. There are some traffic lights immediately at the bottom of the exit ramp.
- 02 Take the right turn at the lights onto Allison Street and continue straight on – the road will take you over Breakfast Creek and to a roundabout.
- 03 At the roundabout, take the first left onto Sandgate Road.
- 04 Immediately take the first right and then the first left (Nariel Street).
- 05 As you enter Nariel Street, you will see some 4 hr council parking – don't park here.
- 06 At the bend, take the first right into our car park (opposite 'BGB Electrical'), there are eight car parking spaces.

#### From Airport / Gateway Bridge

- 01 From Kingsford Smith Drive, turn right at the traffic lights (by BP petrol station), into Cooksley Street.
- 02 Take the first left into Yulestar Street, then a right into Higgs Street.
- 03 Follow the bend around into Park Street.
- 04 At the end of Park Street, turn left into Nariel Street. You will see 'BGB Electrical' on your right – at this point, turn left into our car park, there are eight car parking spaces.

#### From Sandgate Road

- 01 As you approach the Inner City Bypass overpass, take a left turn off Sandgate Road. Next take the first left onto Nariel Street
- 02 As you enter Nariel Street, you will see some 4 hr council parking – don't park here.
- 03 At the bend, take the first right into our car park (opposite 'BGB Electrical'), there are eight car parking spaces.
